

Схема для вышивки крестом

Каталог: Иголки.нет
Код схемы: yuxionzdvcu
Название: Камерон
Оттенков: 59
Размер: 235x300 стежков.
Разбивка схемы: 6x6 страниц.
Версия процессора: 3
Дата создания: 05.12.2010

Схема вручную не корректировалась.

Наверняка Вы уже были на нашем сайте (www.igolki.net) не раз, и изучили раздел Вопрос-ответ вдоль и поперек. Однако, несколько важных фактов и рекомендаций стоит повторить:

1. Эта схема была изготовлена автоматическим сервисом Иголки.нет из картинки, загруженной одним из зарегистрированных пользователей (возможно Вами).
2. Сервис Иголки.нет - это не волшебство! Качество схемы напрямую зависит от качества загруженной картинки, выбранного размера и количества оттенков.
3. Если схема корректировалась вручную, это будет указано явно в заголовке. Автором таких корректировок был один из зарегистрированных пользователей. Нам ничего не известно о его художественных навыках.
4. Прежде чем браться за вышивку, внимательно изучите предварительный просмотр!
5. Предварительный просмотр показывает ориентировочный вид готовой вышивки. Цветопередача на предварительном просмотре может отличаться от реальной вышивки в зависимости от модели монитора и даже от угла обзора!
6. Реальная вышивка без дополнительного освещения может получиться несколько темнее чем на предварительном просмотре.
7. Начинайте вышивку с наиболее важных участков. Так Вы сможете получить представление о конечном результате.
8. Выбор канвы и числа сложений нити мы оставляем за Вами. Размер готовой вышивки и расход нити в сантиметрах будет зависеть от Вашего выбора.

Мы старались сделать сервис Иголки.нет простым, удобным и качественным. Надеемся, что Вы оцените наши усилия!

Приятных Вам часов за вышивкой, и творческих успехов!

ВНИМАНИЕ!!! Администрация сайта Иголки.нет предоставляет пользователям сервиса свободу выбора параметров при изготовлении схемы, и не несет ответственности за художественную ценность и эстетическую привлекательность готовой вышивки. Также администрация сайта Иголки.нет не несет ответственности за возможный моральный или материальный ущерб, явно или косвенно понесенный в следствие использования сервиса Иголки.нет в целом, и этой схемы в частности.
